WORK & CONSULTING EXPERIENCE

Aramark - Oxford, OH

November 2023 - May 2024

Finance/Accounting Intern

- Prepared 500+ invoices weekly for campus dining halls, food vendors, & catering events.
- Generated campus financial reports in Global Financial Fields (GFF) to analyze individual vendor profitability.
- Presented my reports to a team of 6 to explain possible data discrepancies and identify areas of improvement.
- Corresponded regularly with 30+ campus vendor managers to submit their invoices in a timely manner.
- Worked overtime to catch up on 3,000+ late invoices for my company within 2 weeks of being hired.

FC Cincinnati Consulting Project

August 2022 - December 2022

Team Consultant

- Provided strategic consulting to FC Cincinnati on how to increase their female fan engagement.
- Coordinated 30+ hours per week in team meetings to present daily research and track project progress
- Cleaned and manipulated over 20,000 statistical player statistic entries using Excel, SQL, and Python to create advanced data visualizations and actionable insights.
- Formulated and presented a business model that proved crowd engagement, advertisements, and player performance fostered a 31.5% increase in female fan attendance.

EXTRACURRICULARS

Delta Upsilon Fraternity

October 2023 - Present

Class Vice President

- Raised \$5000+ philanthropy money in a variety of events for the future young men of America.
- Planned large-scale social outing events by collaborating with a team to discuss financial logistics.
- Enhanced time management skills by balancing schoolwork with my fraternity responsibilities.

Personal Finance Club

August 2023 - Present

Member

- Acquired the skills to manage individual finances through group discussions and mentorship.
- Managed a 5 figure portfolio whilst conducting market research and utilizing risk-management strategies.
